### **FOREWORD**

This handbook has been developed by the personnel of Excelsior Springs High School and approved by the Excelsior Springs School Board as a special service to students and their parents. It includes general information as to the policies and procedures relating to students of the school. We hope that this handbook will be of considerable value to both students and parents during the students' educational growth and development at Excelsior Springs High School.

*The school reserves the right to make corrections or additions without notice.*

# Student Code of Conduct

The Student Code of Conduct is designed to foster student responsibility, respect for the rights of others, and to ensure the orderly operation of district schools. All rules and regulations related to discipline are established by the Excelsior Springs School Board Policy JG-R1 and are based on the authority granted Boards of Education under Revised Missouri Statutes and opinions of the Attorney General related thereto.

No code can be expected to list each and every offense that may result in the use of disciplinary action. So that students at Excelsior Springs High School may know and understand the disciplinary guidelines for normal school operation, specifically prohibited behaviors are listed in the Behavior Accountability section of this handbook. Any student who engages in any of these activities is subject to disciplinary action, which may range from student conference to parental conference, loss of privileges to loss of course credit, detention, short term suspension to expulsion from school. Consequences may be combination of the preceding depending on the severity of the offense. When a school suspension

is determined to be appropriate for offense committed, the suspension or expulsion policies of the Board of Education shall be followed. The Excelsior Springs School District code of conduct applies to any student who is on school property or adjacent to school property.

The Excelsior Springs School District code of conduct can include off-campus misconduct that is not school related, if it is prejudicial to good order and discipline in the schools or impairs the morale and good conduct of students. It also applies to students who are in attendance at school or at a school-sponsored activity. The policy applies to students who are riding a bus to and from school or school-sponsored activities. Students are subject to discipline, up to and including expulsion, for misconduct regardless of whether the conduct occurs at a school activity and regardless of when the misconduct occurs where it is reasonably determined that a student's misconduct adversely affects school safety or student welfare. The appropriate law enforcement agency will be notified and/or directly involved in any student offense that falls within their jurisdiction (drugs, alcohol, arson, etc.).

The Excelsior Springs School District #40 Board of Education is committed to maintaining a workplace and educational environment in its programs, activities, and facilities. Discrimination or harassment against employees, students, or others on the basis of race, color, religion, sex, national origin, ancestry, disability, age, or any other characteristic protected by law is strictly prohibited in accordance with law.

## Notice of Nondiscrimination

Applicants for admission or employment, students, parents of elementary and secondary school students, employees, sources of referral and applicants for employment, and all professional organizations that have entered into agreements with the Excelsior Springs School District ("School District") are hereby notified that the School District does not discriminate on the basis of race, color, national origin, sex, age, or disability in admission or access to, or treatment of employment in, its programs and activities. In addition, the School District provides equal access to the Boy Scouts of America and other designated youth groups. For full policy, see Board Policy AC.

Any person having inquiries concerning the School District's compliance with the laws and regulations implementing Title VI of the Civil Rights Act of 1964 (Title VI), Title IX of the Educational Amendments of 1972 (Title XI), the Age Discrimination Act, Section 504 of the Rehabilitation Act of 1973 (Section 504), Title II of the Americans with Disabilities Act of 1990 (ADA) or the Boys Scouts of American Equal Access Act is directed to the respective Compliance Coordinator listed below, who oversees the School District's efforts to comply with the laws and regulations implementing the laws and regulations cited above.

The School District has established grievance procedures for persons unable to resolve problems arising under the statutes above. The School District's Compliance Coordinator will provide information regarding those procedures upon request.

Any person who is unable to resolve a problem or grievance arising under any of the laws and regulations cited above may contact the Office of Civil Rights, Region VII, 8930 Ward Parkway, Suite 2037, Kansas City, MO 64114; telephone (816) 268-0550

The Excelsior Springs 40 Schools assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The Excelsior Springs 40 Schools assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Excelsior Springs 40 Schools has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA). **NOTIFICATION OF RIGHTS OF ELEMENTARY AND SECONDARY SCHOOLS**

**The Family Education Rights and Privacy Act (FERPA)** affords parents and students over 18 years of age (eligible students) certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the school to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want

changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202-4605

### **Protection of Pupil Rights Amendment (PPRA)**

The Protection of Pupil Rights Amendment (PPRA) (20 U.S.C. § 1232h; 34 CFR Part 98) applies to programs that receive funding from the U.S. Department of Education (ED). PPRA is intended to protect the rights of parents and students in two ways:

It seeks to ensure that schools and contractors make instructional materials available for inspection by parents if those materials will be used in connection with an ED-funded survey, analysis, or evaluation in which their children participate; and

It seeks to ensure that schools and contractors obtain written parental consent before minor students are required to participate in any ED-funded survey, analysis, or evaluation that reveals information concerning:

1. Political affiliations;
2. Mental and psychological problems potentially embarrassing to the student and his/her family;
3. Sex behavior and attitudes;
4. Illegal, anti-social, self-incriminating and demeaning behavior;
5. Critical appraisals of other individuals with whom respondents have close family relationships;
6. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers; or
7. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

Parents or students who believe their rights under PPRA may have been violated may file a complaint with ED by writing the Family Policy Compliance Office. Complaints must contain specific allegations of fact giving reasonable cause to believe that a violation of PPRA occurred.

## **ANNOUNCEMENTS/SIGNS**

Administration reserves the right to disallow any particular announcement. All signs posted around the school must be pre-approved by a building administrator. Signs may only be stapled or tacked to bulletin boards or cork strips. Signs must be removed the day after the event has occurred. See Board policy IGDBA regarding distribution of non-curricular student publications.

## **AUTOMOBILES**

Driving a car to school is a privilege, not a right. The school district is not responsible for accidents or lost articles, which occur in the parking lot.

Students driving a car to school must purchase a parking tag, display it appropriately, and park in their assigned lot. Specific parking spaces will NOT be assigned; parking will be on a first come, first served basis in assigned lot. A fee of \$20.00 will be charged for each parking tag. Parking lots will be assigned to students based on attendance and grade level. The color on the parking tag will correspond with the lot assigned to the student. Students are required to park in the lot assigned to them. Students who fail to park in their assigned lot will be denied parking privileges. Students will be required to provide photo ID, proof of insurance, and all vehicle information when signing up for parking tag. Students are responsible for updating the office staff if their vehicle information changes.

Following the rules listed below will assure the student the privilege to drive a car to school. Violation of these rules may result in loss of parking privileges:

1. When the student drives a car to school, he or she will park it and leave it immediately until school is out for the day. Students are not to sit in cars before or after school.
2. The student must obtain permission from the office before going to the parking lot during the school day.
3. The speed limit is 5 mph on school property. Tickets will be given if students exceed the speed limit.
4. Reckless and imprudent driving will result in immediate loss of parking privileges.

Any vehicle entering school property is subject to search by school authorities and law enforcement personnel working with the school. Such searches may be conducted without warrant for any reasonable purpose. Search of the vehicle includes all compartments and components thereof. Once search begins, the person in control of the vehicle will not be permitted to enter or remove it from the premises during the reasonable duration of the search.

School personnel retain the authority to assign parking lot, tow unauthorized automobiles (at owner's expense), grant parking privileges, or deny parking privileges based on criteria deemed appropriate at the time. (for example – seniors, juniors, sophomores or grades, attendance, citizenship)

***\*As a condition to receiving a pass to park on school property, high school students and their parents must consent to random drug testing of the students as further defined in Board Policy JFCI. A contract will have to be signed before receiving the parking tag.***

## **CHANGE OF ADDRESS**

If a student's demographic information changes (name, phone, address, guardian, etc.) it must be reported immediately to the registrar's office.

## **CLOSED CAMPUS**

Students are not allowed to leave the school grounds or the school building (for any reason) without authorization from a school official.

Within 24 hours of submission, the principal (or his or her designee) will render a decision whether the material violates the guidelines set in board policy. In the event that permission to distribute the material is denied, the person submitting the request should be informed in writing of the reasons for the denial. Permission to distribute material does not imply approval of its contents by the school, the administration, the Board, or the individual reviewing the material submitted. For full policy, see Board Policy IGDBA.

## **ENROLLMENT AND REGISTRATION**

Student course requests for the following year are submitted during the spring semester of the current year. **CHANGING SCHEDULES—Requests for schedule changes will be accepted prior to the beginning of each semester and/or the first four days of each semester.**

Schedule changes will be considered for the following reasons:

1. Schedule is missing a course required for graduation
2. Course is needed for college admission
3. Student failed a core class and must repeat it
4. Prerequisite is not on students current schedule
5. Changes for sound educational reasons and general educational benefit of any student may be suggested to the counselors, and due consideration will be given to each individual case by the counselors and administrators
6. Final approval or rejection of any or all change requests is the responsibility of the school principal

**WITHDRAWAL FROM SCHOOL** - Parents or guardians of a student wishing to withdraw from school should contact the office of the principal. Students who wish to withdraw for any reason other than transfer must meet with the counselor or principal to initiate the process.

### **ONLINE LEARNING OPPORTUNITIES-**

Excelsior Springs High School will provide an alternative classroom education to assist at-risk students. This program will make graduation more attainable for at-risk students by providing a path to credit recovery.

**MISSOURI OPTION-** Missouri Option is a program which provides an opportunity for students who are at least 17 years old and who are at least one year behind in their progress to graduation to graduate with their class by passing a state-approved examination and meeting other specific program requirements. Students in the Missouri Options program will also be required to meet ESHS student expectations including attendance requirements.

**PART TIME STUDENTS-** Seniors with adequate credits may apply for part time student status. The deadline to apply will be three weeks after the first day of each semester. After three weeks, if the student wishes to become a part time student, the student may still apply, but will receive a failing grade for the dropped class. Part time students need

to be enrolled in six or more credit bearing courses to be eligible for extra-curricular activities. Part time status is discouraged for those students who plan to attend college.

**ONLINE LEARNING CREDITS-** Students not enrolled at ESHS may transfer up to eight (8) credits a year. ESHS students may earn a maximum of four (4) credits from online learning programs during their high school career, two credits total per school year. For full policy, see IKF.

**SUMMER SCHOOL-** Summer school at the high school level is made up of 20 days. Recovery courses are offered for students who need to repeat a course. Students enrolled in credit recovery will take the course online through the Launch Learning Platform. Grades submitted will be Pass or Fail. Summer school will also offer credit enrichment for specific courses. These courses will vary depending on availability.

**HOME SCHOOL-** Home school students who enroll at Excelsior Springs High School will not receive credit toward graduation unless they have been taught by a certified teacher in the subject area. If a student was taught by a home school teacher that is not certified, the student may be required to pass a series of tests, including summatives, from our courses and any on-line testing we have available to determine course credit before being enrolled and receiving credit. In addition, the student will enroll in the next level of class. Example: If they pass Algebra II they would get credit for Algebra I as well. Certified home school programs recognized by a state department of education or the North Central Association of Colleges and Schools (NCA) will be strongly considered if proof of academic achievement can be verified through the accrediting organization. (For full policy, see Board Policy IKF)

## **EQUAL EDUCATIONAL OPPORTUNITIES**

Each student, being limited only by individual differences, should be given the opportunity to develop and achieve to the maximum extent possible. Therefore, the school district will foster an educational environment that provides equal educational opportunities for all students.

Educational programs, services, vocational opportunities, and extracurricular activities will be designed to meet the varying needs of all students and will not discriminate against any individual for reasons of race, creed, color, sex, national origin, economic status or disability.

## **EQUAL OPPORTUNITY EMPLOYER**

The Excelsior Springs School District is an equal opportunity employer and is in compliance with Title IX and Section 504 of the Civil Right Compliance requirements. For additional information, consult the board policy and the revised Statutes of Missouri, which are available at any of the school buildings.

## **VISITORS**

(Board Policy KK)

### **District Property**

Parents/Guardians and patrons of the district are welcome to visit district schools and attend district events; however, all visitors during business hours, including Board members, must sign or check in at the building office prior to proceeding elsewhere in the building. The district discourages parents/guardians or others from using district property or events as places for visiting students and may refuse the use of district property for that purpose.

The Board and administration will not tolerate any person whose presence disturbs classes or district activities or hinders the instructional process. Visitors to district property may not possess weapons, including concealed weapons, on district property, on district transportation or at any district function or activity sponsored or sanctioned by the district unless the visitor is an authorized law enforcement official or is otherwise authorized by Board policy.

### **Appropriate Behavior**

The Excelsior Springs School District #40 believes that district events are a vital part of the total educational program and should be used as a means for developing positive social interaction, good sportsmanship and appropriate behavior, in addition to knowledge and skills. Well-organized and well-conducted programs contribute to the morale of the student body and strengthen school-community relations.

To this end, the Board encourages district patrons to exhibit good sportsmanship, citizenship, ethics and integrity at all district events and at all times while on district grounds. The district will work with the Missouri State High School Activities Association (MSHSAA) and other organizations to promote good behavior by the patrons at athletic and other events. The Board will work with parents/guardians, alumni associations and local service organizations to keep appropriate behavior a top priority. The superintendent will establish procedures for crowd control at district events consistent with this policy.

### **Registered Sex Offenders and Persons Prohibited on or Near District Property**

Sex offenders required to be listed on the Missouri Highway Patrol's sex offender registry, or who have pled guilty, pled *nolo contendere* or been convicted of crimes for which the law currently requires offenders to be listed, regardless of when those crimes were committed, are not allowed on district property or transportation or at district activities, regardless of whether those activities are held on or off district property, unless access is required by law.

In accordance with law, the district also prohibits all persons who have pled guilty or *nolo contendere* to or have been convicted of or found guilty of violating the following provisions from being on or within 500 feet of any school building, district property, district activity or any vehicle used to transport students:

1. Any of the provisions in Chapter 566 of the Missouri Revised Statutes.
2. Incest, § 568.020, RSMo.
3. Endangering the welfare of a child in the first degree, § 568.045, RSMo.
4. Use of a child in a sexual performance, § 568.080, RSMo.
5. Promoting a sexual performance by a child, § 568.090, RSMo.
6. Sexual exploitation of a minor, § 573.023, RSMo.
7. Promoting child pornography in the first degree, § 573.025, RSMo.
8. Furnishing pornographic material to minors, § 573.040, RSMo.
9. Any offense committed in another state, a foreign country, or under tribal, federal or military jurisdiction that, if committed in this state, would be a violation listed above.

Despite the prohibitions in this section, the superintendent may grant permission for a parent, guardian or custodian of a student to be on district property for the limited purpose of attending meetings with district staff or in other situations where the student may benefit. Permission will be granted sparingly, if ever, and only in situations where the parent, guardian or custodian will be supervised at all times or will not be alone with a child. If the superintendent does not grant permission, the parent, guardian or custodian may seek permission from the Board. The superintendent will inform the principal and other relevant district staff of the scope of the permission granted.

This section may not apply to a student entitled by law to be on district property for educational services if the student's presence is necessary to obtain those services and the student is not otherwise prohibited by law from being on district property. The exceptions cited in this section do not apply if the person is otherwise prohibited or banned from district property by other sections of this policy.

### **Disruptive Conduct**

If a visitor's conduct becomes disruptive, threatening or violent, the superintendent, principal or a designee of either may require the visitor to leave. The superintendent or designee may inform the visitor that he or she is not welcome back on district property or at district events indefinitely or for a specific period of time. During any period of prohibition, the visitor will not be allowed on district property. The superintendent may make exceptions for parents, guardians or custodians of students enrolled in the district if the person's presence is necessary to transport the student or may benefit the student educationally, or in situations where the parent, guardian, or custodian will be supervised at all times. The superintendent may make an exception for visitors to attend a meeting of the Board or its committees but is not obligated to do so. This paragraph does not apply if the person is otherwise prohibited or banned from district property by other sections of this policy.

### **Enforcement**

If a visitor prohibited from district property or events under this policy is on district property, district staff will contact law enforcement and/or escort the person from district grounds and inform the person of the district policy prohibiting his or her presence.

The superintendent, principal or a designee of either may file a report or sign a complaint with law enforcement on behalf of the district. The Board grants the superintendent or designee the authority to consult an attorney for guidance or to

seek a court order banning the visitor from district property. A visitor denied access to district property may communicate with the Board in writing but will not be allowed back onto district property unless allowed by the Board. The Board of Education reserves the right to deny the hearing request.

# Academic Accountability

## ADMISSION REQUIREMENTS

The admission of all students shall be under the direction of the superintendent and subject to the approval of the Board of Education. All persons seeking admission to the district and its instructional programs must satisfactorily meet all residency, academic, age, immunization, health, disciplinary, and other eligibility prerequisites as established by Board policies, rules and regulations, and by state law. Students requesting admittance to the Excelsior Springs School District will be given credit for those courses that meet the requirements for a Carnegie unit of credit in schools that are accredited through the State Department of Education, or a state certifying agency from which the student is transferring. Credits will be accepted from non-accredited schools that meet Carnegie unit of credit requirements if the courses were taught by instructors certified through a state department of education or a state certifying agency.

**Auditing Classes-** Students who transfer to the high school after six weeks into the semester will be required to audit classes if they do not enroll with transfer grades. Auditing means they will not be able to earn semester credit for their enrolled classes. Completion of auditing will be contingent on good behavior and attendance.

## Graduation

In addition to the program of study for graduation, a student must pass a Missouri and United States Constitution exam. No student shall graduate without successfully completing a course of instruction of at least one (1) year in length on the institutions, branches, and functions of the government of the State of Missouri, including local governments; the United States government; and the electoral process.

Seniors who need no more than two units of credit to meet graduation requirements at the end of the eighth semester may elect to enroll in approved correspondence courses to meet that requirement. School administration reserves the right to place 9<sup>th</sup> semester seniors or any senior needing more than two units of credit into an alternative educational path to provide the best experience for the student in order to receive a diploma from Excelsior Springs High School. Those meeting the requirements after August 15 will receive the diploma with the next graduating class. Students who have not met all requirements by the date of commencement will not be allowed to participate in graduation exercises.

Students transferring to Excelsior Springs High School are expected to achieve the same credits for graduation as other students. Exceptions to this rule are students who transfer during their senior year from a school which requires fewer credits than Excelsior Springs. If these students cannot achieve Excelsior Spring's requirements, they will be allowed to graduate under their previous school's requirements under the following conditions: (1) They must enroll in a full schedule of classes. (2) They must pass all classes in which they enroll. (3) Transferring seniors must be in attendance at least one full semester prior to receiving a diploma. (4) Transfer students may receive weighted grade credit if the school where they received their instruction is approved by the College Board through the AP course audit process. Students are required to take multiple End of Course exams (EOCE). These assessments will account for ten percent of the course grade. Students are required to complete sixteen hours of community service following all ESHS Community Service Guidelines. All seniors are expected to take either the ACT, SAT, ASVAB or COMPASS tests prior to graduation.

## A+ SCHOOLS PROGRAM

The requirements students must meet in order to receive the tuition benefits under the A+ Schools Program (Known as the A+ Student Financial Incentives) are set forth in the legislation which established the A+ Schools Program—the Outstanding Schools Act of 1993. In order to qualify for the A+ Student Financial Incentives a student must:

1. Have attended an A+ School for three years prior to graduation.

2. Earn a cumulative 2.5 grade point average (or higher) on a 4-point scale by the end of 4 years.
3. Maintain a 95% attendance average over four years.
4. Perform a total of 50 hours of unpaid tutoring of other students over four years (supervised by a non-relation school district employee).
5. Maintain good citizenship (per handbook) over four years by complying with school district requirements about good citizenship. (see citizenship policy below)
6. Avoid the unlawful use of drugs and/or alcohol. (*See citizenship policy below.*)
7. Refrain from possession of weapons in violation of school policy. (*See citizenship policy below.*)
8. Apply for all Federal Financial Aid.
9. Score Proficient or Advanced on the Algebra I End of Course Exam. If a student does not score Proficient or Advanced, he/she may take the ACT and qualify based on the following sliding scale of GPA and ACT math subscores:

ACT Math Sub-score		High School GPA
17	and	2.5 or greater
16	and	2.8 or greater
15	and	3.0 or greater

### **A+ Citizenship Policy**

**Expectation: Excelsior Springs High School A+ participants are expected to be good citizens at school and in the community. At Excelsior Springs High School a good citizen:**

- Maximizes his/her educational opportunity.
- Recognizes and accepts responsibility in and beyond the school environment.
- Sets a positive example for all to follow at school and in the community.

**Excelsior Springs Good Citizen Guidelines:**

- Disciplinary referrals take away from good citizen status. A citizenship review will occur at the beginning of each semester to look at all disciplinary referrals (OSS, SLC, and detentions) to determine removal from the program.
- OSS during the freshman year will result in four additional tutoring hours for each day assigned. Any student assigned OSS during the last three years will be referred to the A+ committee and will face possible removal from the program. If removed from the program, notification will be given in writing and mailed home.
- Students may be notified that they can, for good cause, appeal their dismissal within 10 days of notification. Appeals must be requested in writing. Suspensions from drugs, weapons, alcohol, and misdemeanor/felony offenses may not be appealed.
- Consumption, use, or possession of alcohol or other drugs will result in immediate removal from the A+ Program. Any student involvement (use, manufacture, possession, transport, distribution, under the influence, or sale) with drugs (illegal or legal drugs in which involvement violates school policy) or alcohol at school or in the community will result in immediate and permanent removal. Involvement is established when a student receives school discipline for a drug and/or alcohol offense or when a student is charged and pleads no contest or is found guilty related to a drug and/or alcohol offense.
- Possession of weapons violating school policy results in immediate disqualification.
- Criminal conviction of any offense, which constitutes a serious misdemeanor, aggravated misdemeanor or felony will result in immediate removal from the A+ Program.

## **Appeals Process:**

The counselors will notify students and their parents in writing if a student is disqualified from participation, explaining the reason(s) for their disqualification.

Students have the right to appeal their loss of eligibility. The student and parent must notify the counselors in writing, within 10 days of their receipt of their notice of ineligibility, requesting a hearing for consideration of reinstatement to the A+ Schools Program.

The counselors shall then convene, within 10 days, an A+ Appeals Committee meeting to rule on the student's request for reinstatement. The Committee shall hear this appeal and return its decision to the student within five days. A majority vote of the A+ Appeals Committee will be required to render a decision.

Each semester, the counselors will review the good citizenship status of all A+ participants. The A+ Appeals Committee will be convened as needed to hear appeals from students who have been declared ineligible to participate in the A+ Schools Program.

## **A+ Appeals Committee**

The Appeals Committee shall be composed of the following:

- A+ Schools Coordinator/Counselors
- School Administrator
- A+ Advisory Committee Members (2)

## **HONOR ROLL**

The two honor rolls for Excelsior Springs High School are the "Principal's Honor Roll" which is an "A-(3.66)" average with no grade below B- and the "Standard Honor Roll" which is a "B(3.00)" average with no grade below C-.

**Weighted Grades-** Advanced Placement (AP) courses earn one extra grade point for course completion.

Using the following scale, the honor rolls and grade points are averaged from all subject grades:

A = 4.00	B- = 2.66	D+ = 1.33
A- = 3.66	C+ = 2.33	D = 1.00
B+ = 3.33	C = 2.00	D- = .66
B = 3.00	C- = 1.66	F = 0

## **WALL OF HONOR CRITERION**

Students need to earn a 4.0 G.P.A. over seven semesters, be a Bright Flight recipient, National Merit, or National Merit Commended Scholar Recipient.

## **POWERSCHOOL FOR PARENTS**

Parents can get information about their student's attendance, lunch account balances, schedule, grades, and daily bulletin by logging on to PowerSchool for Parents. It can be found on the HS website: <http://essd40.com/>. Find the "For Parents" link on the navigation bar at the top of the page. Select the "Grades and Attendance" link. You will need student's web ID and password. You may obtain these by contacting the attendance secretary at the high school.

## **STANDARDS-BASED LEARNING**

Standards-based learning measures the mastery of the learning objectives, or how well your student understands the material in class. At the beginning of every unit, the teacher will outline the objectives and criteria for mastery using a detailed rubric. During the unit, the student is assessed to see if they truly know the material using a variety of assessments. The goal of this system is to provide the teacher, student, and parent as accurate a picture as possible of the student's learning. In particular, because learning is a process that takes place over time, each assessment will provide feedback for the student about what to focus on next, and the student will be allowed to retake assessments. If the new assessment shows a higher level of mastery, the new score replaces the old one.

## GRADING SCALE AND REPORT CARDS

The school year consists of four, nine-week grading periods. Report cards are issued after every grading period. Credit is earned on a semester basis.

Grades are updated regularly in PowerSchool. Parents are encouraged to meet with teachers to discuss their child's progress or special problems.

In order to best prepare students to be college and/or career ready upon graduation from Excelsior Springs High School, students will be assessed in five learning outcomes in each class.

1. Knowledge and thinking
2. Oral Communication
3. Written Communication
4. Collaboration
5. Agency

**The grading scale for students is as follows:**

<b>A</b>	=	93-100
<b>A-</b>	=	90-92
<b>B+</b>	=	87-89
<b>B</b>	=	83-86
<b>B-</b>	=	80-82
<b>C+</b>	=	77-79
<b>C</b>	=	73-76
<b>C-</b>	=	70-72
<b>D+</b>	=	67-69
<b>D</b>	=	63-66
<b>D-</b>	=	60-62
<b>F</b>	=	0-59

# Behavior Accountability

## **POSITIVE BEHAVIOR SUPPORTS (PBS)**

Research has shown that the implementation of punishment, especially when it is used inconsistently and in the absence of other positive strategies, is ineffective. Introducing, modeling, and reinforcing positive social behavior is an important aspect of a student's educational experience. Teaching behavioral expectations and recognizing students for following them is a much more positive approach than waiting for misbehavior to occur before responding. The purpose of school-wide PBS is to establish a climate in which appropriate behavior is the norm. This strategy is a school wide system that is based on reinforcing positive behaviors as they occur and modeling the correct behavior when it does not.

### **The Goals of PBS:**

- Focuses staff and student attention on desired behaviors.
- Increases the likelihood that desired behaviors will be repeated.
- Fosters a positive school climate.
- Reduces the need for time consuming disciplinary measures, increasing student time on-task.

## **ACADEMIC INTEGRITY**

Students should commit themselves to act honestly, responsibly, and above all, with honor and integrity in all areas of their academic life. Students are accountable for everything they say and write. Students are responsible for the integrity of their work. Academic dishonesty includes, but is not limited to, misrepresenting their work by using the work of another and representing it as their own, bringing answers into a testing area, unauthorized copying answers on homework or assessments from another student, helping another student commit academic dishonesty, giving/receiving unauthorized aid, or using unauthorized notes or technology.

## **ATTENDANCE POLICIES FOR EXCELSIOR SPRINGS HIGH SCHOOL**

### **Missouri State Law**

Missouri Statute 167.031, RSMo, states that any parent, guardian or other person having custody or control of a child between the ages of seven (7) and the compulsory attendance age for the district, must ensure that the child is enrolled in and regularly attends public, private, parochial school, home school or a combination of schools for the full term of the school year. The term "compulsory attendance age for the district" shall mean seventeen (17) years of age or having successfully completed sixteen (16) credits towards high school graduation in all other cases. (Policy JEA, last revised 9/8/2014)

### **Responsibility for Attendance**

Every parent, guardian or other person having custody or control of a child between the ages of seven (7) and the compulsory attendance age for the district has the primary responsibility of ensuring that the child regularly attends school. A parent, guardian or custodian of a child or children who do not regularly attend school may be reported to the Department of Social Services, Children's Division, or to the county prosecutor's office. A violation of the compulsory attendance law is a class C misdemeanor. (Missouri Department of Elementary and Secondary Education)

### **Missouri Attendance Guideline**

The state attendance guideline established by the Missouri Department of Secondary and Elementary Education is for 90% of students to attend school 90% of the time. To meet this target students can't miss more than 8 days of school in each semester.

### **Board Policy**

Regular and punctual patterns of attendance will be expected of each student enrolled in the school district (Board Policy JEA, JED). Students should strive to maintain a good attendance record, because there is a direct relationship between

school attendance and grades, citizenship, and success in school. Frequent absences of students from regular classroom learning experiences disrupt the continuity of the instructional process. The benefit of regular classroom instruction is lost, and cannot be entirely regained. The school cannot teach students who are not present.

### **Loss of Credit**

Students who miss nine (9) or more days a semester will not receive credit for their courses. Loss of credit may be appealed using the appeal process detailed below.

### **Eligibility for Student Activities**

Students will not be allowed to participate or attend extra-curricular activities (this includes attendance at or participation in athletics, music, club events, etc.) on the date that the student is absent from school except through pre-approval of the building principal, or receipt of approved documentation of why the student was absent. Students must be in attendance all day on the day of the activity. Students absent any portion of the day on Friday or the last school day before a scheduled event will not be allowed to participate in weekend activities OR ACTIVITIES HELD ON A DAY SCHOOL IS NOT IN SESSION without pre-approval from the building principal or presenting approved documentation. Doctor/dentist visits are examples of absences eligible - Documentation must be provided upon return to school.

Students are required to have at least 90% year to date attendance to qualify to participate in Homecoming and Prom. Students must have 90% attendance from the first day of school to the designated cut-off day in order to attend these events.

### **Reporting an Absence**

On the day of an absence, a parent should notify the office by phone (630-9210) before 8:30 am. If the office does not receive notification, an automated phone call will be sent by the school after 10:30 am to notify the parent(s)/guardian(s) of the absence. **Please note, there are no excused or unexcused absences.**

### **Attendance Review Procedures**

To support students in meeting the state guideline of 90% of students attending school 90% of the time, several procedures will be implemented at the high school. Grade reports will be mailed home at midterm and the end of each quarter. An attendance report will be included on this report. Parents are able to view this report daily through the PowerSchool Parent Portal. Our Attendance Review Committee will meet weekly to monitor individual student attendance and coordinate the following review procedures:

## **HIGH SCHOOL REVIEW PROCEDURES**

**Step 1: An automated phone call to parents will be generated every day a student is absent from school.**

**Step 2: A letter will go home for all students each grading period informing them of their current attendance percentage.**

**Step 3: When a student has missed 4 or more days in a semester, a call will be made home informing the parent of the current attendance percentage, and request a parent meeting if that percentage is below 90 percent. A home visit may be made by a member of the attendance review committee due to lack of attendance**

**Step 4: When a student has missed 7 or more days in a semester, a letter will be mailed home informing the parent of the current attendance percentage, and request a parent meeting if that percentage is below 90 percent.**

**If there are no extenuating circumstances reported to school, the Attendance Review Committee may place a hotline to Children's Division on the 10th missed day of the school year due to lack of attendance.**

**Step 5: When a student has missed 9 days in a semester, credit will be denied and the student will be required to complete the appeal process as described in the section titled "Appeal Process."**

## ATTENDANCE POLICY

The student will begin the appeal process at the end of the semester that credit may be denied. The official attendance record will be kept in the attendance office.

## COMMUNICATION TO PARENTS FROM THE ATTENDANCE OFFICE

When a student reaches his/her ninth (9) absence, excused or unexcused, an official letter will be sent to the parent/guardian by certified mail. This letter will serve as notification that their student has missed 9 days and is subject to denial of credit. A copy of the student's attendance record and appeal form will be included in this mailing. In addition, the parent/guardian will be contacted by a school official. If problematic attendance continues, administrative contact will occur which may result in notification to the Department of Family Services (DFS), Clay County Juvenile Offices for students not yet 17 years of age.

## APPEAL PROCESS

If the student or parent feels that justifiable or extraordinary circumstances have contributed to reaching the eight-day limit, the student and parent may appeal to the Attendance Review Committee. An appeal form must be completed and filed with the Attendance Office by the end of the semester the absences occurred in. The review by the Attendance Review Committee shall be held within a reasonable time following the end of the semester. If no appeal request form is received by the end of the semester, then credit is denied. The Attendance Review Committee may consist of at least one administrator, counselor, and three teachers. In reviewing the denial of credit, the Attendance Review Committee will consider the reasons for all the student's absences, not only those absences above the eight days days allowed.

The committee will consider all relevant information including whether:

- The appeal form was returned to the office by the end of the semester in which the absences occurred
- The student has supplied reasons for each absence with appropriate documentation
- All semester course work was completed as determined by the teacher
- The student earned a minimum grade in the course D- and all class objectives have been met

There are three possible outcomes from an appeal to the Attendance Review Committee:

- Denial of credit
- Credit is awarded
- The student is placed on probation for the next semester, with credit held pending satisfactory attendance during the probationary period. Eligibility for extracurricular activities will be determined by the committee.

The credit denied outcome from the Attendance Review Committee will be sent to the parents by certified mail. All other outcomes will be mailed to the parents, noncertified. Upon receipt of the outcome of the appeal, the student and his/her parents may contact the Attendance Review Committee for a personal appeal review. It is mandatory that both student and parent be in attendance at this appeal review. Where the committee upholds the denial of course credit based on excessive absences, the student and parent/legal guardian may appeal the committee decision to the Assistant Superintendent. Parties who desire to appeal the decision of the Attendance Review Committee must notify the principal within ten (10) days of the decision. Failure to make a timely request for an appeal will result in the loss of credit as affirmed by the Attendance Review Committee. Procedures for an appeal shall be the same as provided for in any student disciplinary matter and are available upon request.

## **Absences**

**Students arriving after 7:48 a.m. are counted as absent. Students who miss more than half their class in a particular hour will be counted absent as well. If a student misses ten minutes or more than ten minutes in hours 2-8, students will be assigned consequences for unexcused/truant absences.**

We will not excuse absences for Take Your Child to Work Day.

**Verified Procedure-** On the days of absence, a parent should notify the Principal's Office by phone (630-9210) between 7:30 am and 12:00 noon, or before 7:35 am on the day the student returns. If no call was made, the student is to present a written excuse signed and dated by the parent/guardian. If a student is at a doctor's appointment, a note from that doctor is required. Students unable to provide verification upon returning to school may be considered truant and may result in consequences. Two (total) college campus visits will be allowed during junior and senior years. Supporting documentation of the visit is required.

**Make-up Work-** It is the responsibility of the student to get work, and it must be completed within the established time requirement or no credit will be given. After the allotted days, the late work policy will take effect for classes that aren't standards-based. Students who are suspended long-term may forfeit their right to complete work as they are in violation of the school's discipline policies. Long term hearings will be handled on a case by case basis. In regards to suspensions, all work must be turned in the day the student returns to class. Tests missed during a suspension can be made up once returning from suspension or with arrangements made through the office. The office requests for all work and the parent must pick up homework. Contact the Attendance Office to check for work turned in.

**Signing Out** – For a student to be permitted to sign out during the school day, a parent/guardian listed on the enrollment form must call or provide documentation to the attendance office. Students may not leave school without signing out. Any student not signing out when leaving school will be considered truant and may receive a consequence. Students entering during the school day must first report to the Attendance Office to sign in and receive a late slip.

## **APPROVED DOCUMENTATION/PREAPPROVAL FOR SCHOOL ACTIVITIES ON THE DAY OF AN ABSENCE**

Students will **NOT** be allowed to participate or attend extra-curricular activities (this includes attendance at or participation in athletics, music, Science Olympiad, drama, academic team, etc.) on the date that the student is absent from school except through pre-approval of the building principal, or receipt of approved documentation of why the student was absent. Students must be in attendance all day on the day of the activity. Students absent any portion of the day on **FRIDAY OR THE LAST SCHOOL DAY BEFORE A SCHEDULED EVENT** will not be allowed to participate in **WEEKEND ACTIVITIES OR ACTIVITIES HELD ON A DAY SCHOOL IS NOT IN SESSION** without pre-approval from the building principal or presenting approved documentation. \*Calling in sick or “running late” in the morning does not constitute preapproval. Doctor/dentist visits and college visits are examples of absences eligible for pre-approval. Documentation must be provided upon return to school if pre-approval for activities has been arranged.

## **ATTENDANCE INCENTIVES**

**Prom Tickets:** Students achieving pre-determined attendance percentages from the first day of school to the designated cut-off date will be eligible for free or reduced price Prom tickets.

**Dances:** Students are required to have 90% year-to-date attendance in order to qualify to purchase a ticket to any school dance (Homecoming, Spring Dance, Prom). Students must have 90% attendance from the first day of school to the designated cut-off day in order to attend (typically the Friday before tickets go on sale). Student must also have served all discipline received in order to attend.

## **CELL PHONES/ELECTRONIC DEVICES**

Students are allowed to use cell phones and other electronic devices during passing periods and lunch periods (commons only). Cell phones and other electronic devices may not be allowed in the classrooms.

It is an expectation that when students enter a classroom that all technology is off and out of sight (including headphones).

Our responsibility as a school is to help students learn proper, responsible use and appropriate etiquette for cell phones and other electronic devices. Students should use school-issued technology devices for internet/technology uses. The inappropriate and improper use of cell phones and other electronic devices causes a disruption to teaching and learning.

Students are required to hand their cell phone or any other electronic device over to an adult when requested. The following will occur if a cell phone or any other electronic device is confiscated due to misuse:

**1<sup>st</sup> offense:** Warning and phone or electrical device confiscated and returned at the end of the day.

**2<sup>nd</sup> offense:** Phone or electronic device confiscated; parent must pick up phone at the end of the day. Additionally, a 2 hr. detention is assigned.

**3<sup>rd</sup> offense and beyond:** Confiscate phone or electronic device, parent must pick up phone at the end of the day, SLC assigned.

Security of cell phones and other electronic devices at school will be the responsibility of the student. Excelsior Springs High School is not responsible for lost, stolen, or damaged cell phones or other electronic devices.

**If a student refuses to hand over his/her technology, the student will also receive a consequence for defiance.**

## COMMUNITY PLAN FOR TOBACCO-FREE YOUTH

When Excelsior Springs students fail to follow school policies related to tobacco, they will be subject to the consequences of the school discipline policy as well as the consequences of the City Ordinance 605.255 which states, “It shall be unlawful for any person under the age of eighteen (18) years to possess, attempt to possess, purchase or attempt to purchase cigarette, cigarette tobacco, cigars or smokeless tobacco.

### DISCIPLINARY ACTIONS

Discipline is defined as, “The training that develops self-control, character, and efficiency.” It is a key to good conduct and proper consideration for other people. The rules, policies, and procedures at ESHS have been developed for each student’s health, safety, and security, as well as, to maximize each student’s educational opportunities.

It is the purpose of the student code of conduct to list certain offenses, which if committed by the student, will result in the imposition of a certain disciplinary action. Any conduct not included herein, or an aggravated circumstance of any offense or an action involving a combination of offenses may result in disciplinary consequences that extend beyond this code of conduct as determined by the principal, superintendent, and/or Board of Education. In extraordinary circumstances where the minimum consequence is judged by the superintendent or designee to be manifestly unfair or not in the interest of the district, the superintendent or designee may reduce the consequences listed in this policy, as allowed by law. This code includes, but is not limited to, acts of students on school playgrounds, parking lots, and school buses or at a school activity whether on or off school property. A one or two hour detention, SLC, or OSS may be used as disciplinary action if deemed appropriate by the principal. It also remains the right of the principal to refer the offense to a legal authority.

The following disciplinary actions may be employed when dealing with individuals who do not comply with established rules and policies:

**Detention:** A detention is a period of time in which a student is detained, before or after school. The detention may be assigned by a teacher or an administrator. Students are given previous notice so as to arrange transportation through a parent or guardian. Detentions assigned through the office will be work sessions directed by a detention supervisor. Extended detentions of two hours may also be assigned to students. No transportation will be provided by ESSD for students who are assigned extended detentions. It is the responsibility of the parent/guardian to ensure that students are picked up at the required time. Any student who fails to serve an assigned detention, does not bring material to study, or does not follow rules given by the detention supervisor, may be assigned consequences.

**In-school-suspension:** Students may be placed in a Supervised Learning Center for a variety of disciplinary infractions. Failure to comply with in-school suspension rules will result in out-of-school suspension. If a student does not successfully complete SLC, the student may be suspended for the remainder of the day, and will be required to re-serve the originally assigned consequences.

**Academic Focus Time (AFT):** If a student is not meeting with behavioral or academic success, building administration will assign the student “Academic Focus Time” for a specified number of weeks. If a student is assigned Modular AFT, his or her resource times will all be assigned to particular resource room areas. AFT will also be assigned to students who are chronically truant and/or miss previously assigned consequences for school truancy.

**Out-of-school suspension:** Students whose behavior warrants out-of-school suspension may be suspended from one to ten days by school administrators. The Superintendent may suspend a student for a longer period. Once a student is notified that he/she is suspended, he/she may not be on school property or attend school functions (home or away) until he/she returns to school following the suspension.

Behavior contracts (with individualized discipline plans) may be put in place for students who have a high referral rate or display consistent or severe misbehavior.

**Expulsion:** The removal of students from school property in excess of 90 school days or for an indefinite period of time and loss of academic credit.

**All students who are suspended or expelled are prohibited from being on school property for any reason unless permission is granted by the superintendent or designee.**

Any student who is suspended for any offenses listed in 160.261, RSMo., or any act of violence or drug-related activity defined by policy JGF as a serious violation of school discipline shall not be allowed to be within 1,000 feet of any public school in the district unless one (1) of the following conditions exist:

1. The student is under the direct supervision of the student's parent, legal guardian, or custodian and has permission of the principal of the school that suspended the student.
2. The student is under the direct supervision of another adult designated by the student's parent, legal guardian, or other custodian. The principal must receive advanced, written notice regarding the designee.
3. The student is in an alternative school that is located within 1,000 feet of a public school in the district.
4. The student resides within 1,000 feet of a public school in the district and is on the property of his or her residence.

## **DOCUMENTATION IN STUDENT'S DISCIPLINE RECORD**

The principal, designee, or other administrators or school staff will maintain all discipline records as deemed necessary for the orderly operation of the school. In addition, any offense that constitutes a, "serious violation of the district's discipline policy," must be documented in the student's discipline record in accordance with law. Policy JGF defines a, "serious violation of the district's discipline policy," as one(1) or more of the following acts if committed by a student in the district:

1. Any act of school violence or violent behavior.
2. Any offense that occurs on school property, on school transportation, or at any school activity and that is required by law to be reported to law enforcement officials.
3. Any offense that results in an out-of-school suspension for more than ten(10) days.

## **DRESS CODE**

The policy of the Board of Education is to encourage all students to dress in a moderate type and style of clothing that is appropriate for school activities and to develop habits of personal grooming that contribute to health and safety and are generally acceptable within the community. Extremes in apparel or personal appearance that the administration feels disrupt the learning process or interfere with the intended function of the school will not be acceptable.

- Clothing and accessories that display statements, signs, or pictures with alcohol, tobacco, other drugs, weapons, violent themes, sexual innuendo, inappropriate language, inappropriate slogans, or references to gang affiliations will not be permitted. Nothing containing hate, violence, and/or race/ethnicity/gender degradation.

## **HALLS**

No student shall be in the halls during a class period without an ID. Any students found in the halls without an ID may be subject to a discipline consequence. The entire ESHS is subject to surveillance by camera.

## HARRASSMENT

Harassment is a form of discrimination based on race, color, religion, sex, national origin, ancestry, disability, age, genetic information, or any other characteristic protected by law, or based on a belief that such a characteristic exists. Harassment occurs when intimidation, ridicule, or severe/pervasive insult is directed at an individual or group based on the criterion listed above. In addition to school consequences, harassment has potential legal implications.

Behaviors that could constitute illegal harassment include, but are not limited to, the following acts if based on race, color, religion, sex, national origin, ancestry, disability, age, genetic information or any other characteristic protected by law or based on a belief that such a characteristic exists: graffiti; display of written material, pictures or electronic images; name calling, teasing or taunting; insults, derogatory remarks or slurs; jokes; gestures; threatening, intimidating or hostile acts; physical acts of aggression, assault or violence; theft; or damage to property.

Procedure: Any person who believes he or she has been subjected to harassment should follow these procedures:

- Directly inform the person engaging in the harassing conduct or communication that such conduct or communication is offensive and must stop.
- Contact any staff member for harassment complaints.
- Cease all contact, as much possible, with the person engaging in the harassing conduct and do not attempt to retaliate or to use the same tactics to get back at the harassing person.

Sexual harassment of students of either sex by employees or other students is strictly prohibited in the Excelsior Springs School District. Sexual harassment is defined as sexual advance, requests for sexual favors, other verbal or physical conduct of a sexual nature made by a member of the school staff or when made by any student to another student.

Whether a student voluntarily submits to sexual advances or requests is irrelevant for purposes of this policy. Sexual harassment of a student by an employee or another student may include such things as sexually oriented jokes, remarks, cartoons, pictures, or letters; pressure for sexual activity whether written, verbal or through physical gestures; and physical contact such as patting or pinching.

Students or staff who believe they have been victims of, or have witnessed sexual harassment, should report the incident(s) to any teacher, guidance counselor, or school administrator. The staff member who receives the complaint shall promptly inform the administrator who is designated to investigate such reports, or the next level administrator who is not the subject of the complaint. There will not be adverse action taken against a person for making a complaint of sexual harassment when the complainant honestly believes sexual harassment has occurred or is occurring, or for participating in or cooperating with an investigation. (For full policy, see Board Policy AC)

## PROHIBITION AGAINST FIREARMS AND WEAPONS

Prohibition against the possession of a weapon while on school property applies to weapons present in any and all vehicles parked on school property, regardless whether such weapon is concealed or openly displayed, and regardless whether such vehicle is owned and/or operated by a student, parent, patron, vendor, or any other person or entity, except as otherwise explicitly provided herein. Violations of this policy will be dealt with severely and law enforcement officials will be notified.

### **Food Service Management (Meal Charges) EF-API**

Unless meals are provided at no charge, the district expects students and employees to pay for meals prior to or at the time of receipt. The district allows limited meal charges to cover the situation of a student losing or forgetting meal money. This service is not designed or intended to provide a credit service for continuous charging and collection of student meals. The ability to charge meals is a privilege, not a right, and is subject to the limitations established in this procedure.

### **Notice**

At the beginning of each school year, a copy of this procedure will be provided to every parent/guardian in the district as required by law. In addition, a copy of this procedure, along with information about free and reduced-price school meals, will be provided to the parents/guardians of all students who enroll after the beginning of the school year.

A copy of this procedure will also be provided to all building administration, staff responsible for collecting payment for meals at the point of service, staff involved with notifying parents/guardians about account balances, school social workers, nurses, counselors, the district liaison for homeless children and youths, and any other staff who regularly assist students in need.

A copy of this procedure will also be posted on the district's website, and information about charging meals will be included in the student handbook.

### **Employees**

Employees may charge meals, but may not accumulate more than \$25 in unpaid meal charges. No substitute meal will be provided. All meal charges must be paid before the last day of school.

### **Students**

1. A student may not accumulate more than twenty-five dollars (\$25) in unpaid charges for complete meals.
2. Students may not charge a la carte items.
3. A student with money in hand will not be denied a meal even if the student has past due charges.
4. Students will not be identified, singled out, shamed or punished by the district for the failure of their parents/guardians to pay for or provide meals, and the district will not withhold student records in violation of law.

### **Alternative Meals - Elementary Students**

If the district's meal service line is designed to collect payment prior to students receiving food, a student who has accumulated more than twenty-five dollars (\$25) in unpaid meal charges and is still unable to pay for meals may be provided an alternative meal. Alternative meals will be on the regular serving line and will be available to all students as an alternative to the regular meal. If a student has been provided a regular meal, that meal will not be taken away from the student even if the student should have been provided an alternative meal due to unpaid meal charges.

### **Alternative Meals - Secondary Students**

A student who has accumulated more than twenty-five dollars (\$25) in unpaid meal charges and is still unable to pay will not be provided a meal. The exception to this, will be for students who are identified as having a disability. Meal accounts will continue to accrue charges for alternative meal costs.

### **Interventions**

1. After a student accumulates more than twenty-five dollars (\$25) in unpaid meal charges, the district will encourage the parents/guardians to submit an application for free and reduced-price meals if an application has not been recently submitted.

2. The district will make repeated attempts to contact the parents/guardians to notify them of the lunch charges and to discuss the situation.
3. Provide other resources as applicable.

District employees are mandated by the state of Missouri to report any instance of suspected abuse or neglect to the Children's Division (CD) of the Department of Social Services. District personnel will report to the CD any instance where a student's arrival at school with no provision for food leads to a reasonable cause to suspect neglect.

### **Working with Parents/Guardians**

To ensure that parents/guardians have ample opportunity to resolve situation involving unpaid meal charges, the district will:

1. Provide timely notification to parents/guardians of account balances for meals over five (\$5) dollars.
2. Work with parents/guardians to create a payment plan that allows for the payment of accumulated balances over time.

### **Debt Collection**

#### **Delinquent Debt**

Unpaid meal charges will be considered a delinquent debt 90 days after notice that charges are due when no payment or payment plan agreement has been made. Unpaid meal charges will be considered delinquent as long as the district determines that debt is collectible and efforts to collect the debt are ongoing. The district will make reasonable efforts to collect delinquent debt, including turning over unpaid meal charge balances to a collection agency when the superintendent or designee determines such action is in the best interest of the district.

#### **Bad Debt**

When the district determines that collection of delinquent debt is impossible or too costly, the debt will be reclassified as bad debt. Bad debt is debt that will be written off as an operating cost. These costs must be restored using non federal funds. NSFSA resources may not be used to cover any costs related to bad debt. Instead, local funds will be used to cover the costs. Local funds include:

1. State revenue matching funds in excess of state revenue matching-fund requirements.
2. State and local funds provided to cover the cost of student meals.
3. Local contributions from organizations or individuals.
4. Revenue from adult meals prepared using resources outside the district's food service and not funded by the NSFSA.
5. Revenue from the sale of a la carte items and profits from foods not purchased with NSFSA funds and funded by an account separate from the NSFSA.
6. Revenues from catering or contracting services that operate from an account separate from the NSFSA.

### **Records**

The district will maintain detailed records pertaining to delinquent and bad debt, including:

1. Evidence of efforts to collect unpaid meal charges.
2. Evidence that collection efforts fell within the time frame and methods established by this procedure.
3. Financial records showing when delinquent debt became bad debt.
4. Evidence that funds written off as bad debt were restored to the NSFSA from non-federal sources.

## EXTRACURRICULAR ACTIVITIES

Academic requirements for participation in any extracurricular activity follow the MSHSAA State Guidelines which are: A student in grades 9-12 must have earned, the preceding semester of attendance, a minimum of 3.0 units of credit or have earned credit in 80% of the maximum allowable classes in which a student can be enrolled in the semester, whichever is greater, and shall currently be enrolled in and regularly attending courses that offer 3.0 units of credit or 80% of the maximum allowable credits which may be earned, whichever is greater; or a student must be enrolled in a full course at his or her level in a special education program for the handicapped approved by the Missouri State Department of Education which, though graded, enrolls pupils of equivalent age, and that student must have made standard progress for his or her level the preceding semester.

A student must be making satisfactory progress towards graduation as determined by local school policies.

A student who is dually enrolled in college and high school classes but who does not receive high school credit on his/her high school transcript for the college work, may have college hours earned during a regular semester count up to a maximum of 1 unit of credit toward determining high school eligibility as follows: 1/2 unit of high school credit for a 3 credit hour class; 1 unit of high school credit for a 5 hour college credit class.

### **Drug Testing (see Board Policy JFCI)**

*Random Drug Testing:* Participation in extracurricular activities, as well as parking on campus, at the Excelsior Springs 40 School District is a privilege and carries with it the responsibility to adhere to high standards of conduct, including refraining from the use of illegal drugs, performance-enhancing drugs and alcohol. To assist students in making healthy and safe choices, the district will conduct random drug testing of students in grades 9–12 as a condition of participation in covered activities and/or who obtain a parking pass to park on district grounds. Covered activities are activities regulated by the Missouri State High School Activities Association (MSHSAA), excluding all activities in which students receive an academic grade for participation. District employees shall not have the authority to waive the testing of any student selected using the random selection process.

*Suspicion-Based Drug Testing:* Suspicion-based drug testing, unlike random drug testing, may only be used when there is reasonable suspicion that the student is under the influence of or has recently consumed alcohol or any drug prohibited by district policy. Students testing positive will be disciplined in accordance with the district's discipline policy and may also be excluded from extracurricular activities and/or parking privileges as determined by the district. A student who refuses to submit to testing may still be disciplined under the district's discipline code for being under the influence of alcohol or drugs.

## NATIONAL HONOR SOCIETY (NHS)

**Description:** The NHS Chapter of Excelsior Springs is part of a prestigious national organization that focuses on developing four key virtues in young adults: character, leadership, service, and scholarship. The club holds meetings 1 time per month and plans ways to help others at school and in the community through service projects and organizes fundraisers to send members to national conferences and pay for special NHS events like the Induction Ceremony and a reward day for members that meet the requirements for participation in the club. Club Officers meet one additional time per month.

### **Rules for Eligibility:**

The application includes listing community service projects, school activities, and awards; five teacher evaluations of character, leadership, and scholarship; and a 50-word essay on how you can be an effective leader in your school and community. # Health and Safety

## EMERGENCY DISASTER DRILLS

Fire, tornado, earthquake, intruder, and hold in place drills are held at regular intervals during the school year so that students may learn to react quickly and in an orderly fashion in the case of a real emergency. Students will be instructed by the teacher as to the procedure to follow. Standard policies for each part of the building are established by the principal under the direction of the Excelsior Springs Fire Marshall. Special instructions will be posted on the wall in each classroom.

In the event of an emergency, we require students to remain at their designated location of safety. It is recommended that parents and students adhere to our procedures during a crisis. Disciplinary actions may occur if students put themselves or others in danger.

## HEALTH

### **Guidelines for keeping student home:**

If your child is not feeling well please take their temperature. A child with a fever (100.0) or greater should remain home for 24 hours, fever free, after the temperature returns to normal (98.6) without taking fever reducing medication(s).

If your child vomits or has diarrhea, he/she must remain home (symptom free) for 24 hours following incident. Your child must also return to regular eating habits before returning to school.

Keep your child home if there are signs of conjunctivitis (pinkeye) such as matter coming from one or both eyes, itching, and/or crust on the eyelids. The student should be evaluated by a physician.

### **Communicable diseases:**

Students with infectious diseases that can be transmitted in school and/or athletic settings (such as, but not limited to, chickenpox, influenza and conjunctivitis) should be managed as specified in: (a) the most recent edition of the Missouri Department of Health documentation entitled Prevention and Control of Communicable Disease and (b) documents referenced in I9CSR 20-20.030 and (c) in accordance with any specific guideline/ recommendation or requirements distributed by the local county of city health department.

A student infected with a blood borne pathogen such as hepatitis B virus (HBV), hepatitis C virus (HCV), or human immunodeficiency virus (HIV) poses no risk of transmission through casual contact to other persons in a school setting. Students infected with one of these viruses shall be allowed to attend school without any restrictions which are based solely on the infection. The district cannot require any medical evaluations or tests for such diseases.

Exceptional Situations - There are certain specific types of behaviors (for example, biting or scratching) or conditions (for example, frequent bleeding episodes or uncontrollable oozing skin lesions) which could potentially be associated with transmission of both blood borne, and non-blood borne pathogens.

No students, regardless of whether he or she is known to be infected with such pathogens, should be allowed to attend school unless these behaviors or conditions are either absent or appropriately controlled in a way that avoids unnecessary exposure. (For full policy, see Board Policy JHC)

### **Immunizations:**

Students cannot enroll and/or attend school unless immunized as required by Missouri State Law. (For full policy, see Board Policy JHCB)

Students who fail to comply with District and/or State regulations concerning immunizations and health records may not attend school until the problem is corrected. Proper immunizations must be completed or in progress at the time of enrollment.

## **Medication Policy**

All medications, prescription or over-the-counter drugs, must be checked into the health office. Medications must be in a new/unopened container. Students are NOT allowed to carry ANY type of over the counter medication, i.e. cough drops, eye drops, aspirin, Tylenol, Orajel, and etc. These medication must be administered through the health room. Parent permission forms must be on file to have medication stored in the health office. There are no exceptions to the policy. Unauthorized possession of medications will result in disciplinary action.

## **Emergency Medications**

In the event of a life threatening emergency, your child may be administered Albuterol (0.09 mg/puff) via inhaler or Albuterol (2.5mg per 3 ml) via nebulizer and/or Epinephrine via Epi-pen. If administration is required, calls will be made to both 911 and parents. If an injury or illness requires immediate attention and the school is unable to locate the parent, emergency care will be provided by school /emergency medical personnel and the student may be taken to a hospital emergency room. The school district is not responsible for the subsequent treatment or medical expenses incurred after administration of first aid. If you do not wish for these medications to be given, please notify the school health room for an OPT OUT form.

## **Possession of Self-Administered Medications**

An authorized prescriber may recommend that an individual student with a chronic health condition be allowed to be in possession of his or her medication on district property for the purposes of self-administration. The district will permit possession of medication for the treatment of a chronic health condition including, but not limited to asthma, anaphylaxis or diabetes on district property. No student will be permitted to possess any medication unless the parent/guardian has submitted all required authorizations and releases in accordance with policy JHCD.

## **Nurse's Office:**

The school district employs a health assistant who is on duty at the high school. Parents must provide the school with unopened bottle/packages of over the counter medications which they wish their child to receive. Parents also need to sign a permission form if their child is on medication that requires administration during the school day. All medication taken at the High School must be kept in the nurse's office.

As a safety factor, the school asks parents to notify the health assistant or office if their child has a specific medical condition that would require immediate attention (diabetes, asthma, hearing condition, epilepsy, etc.) or might hinder his or her participation in various school activities. Use of assistive devices (crutches, wheel chair, insulin pump, etc.) must be prescribed by a doctor and accompanied with a note of verification. Parents must complete a health information sheet each year.

## **SCHOOL SAFETY**

Discipline and the learning of self-discipline is a part of every student's right to free and appropriate public education. Discipline is an educational service.

The civil rights of a child must yield when the question of the protection of the child is paramount. In a group situation, the safety of the group outweighs the rights of the individual child.

When circumstances dictate the advisability of law enforcement and education personnel working together to maintain safety in schools, there is a duty to do so.

## **Section 504 Notice**

Section 504 prohibits discrimination against persons with disabilities in any program receiving federal financial assistance. The Act defines a person with a disability as anyone who:

1. Has a mental or physical impairment which substantially limits one or more major life activities (such as caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working);
2. Has a record of such impairment; or
3. Is regarded as having such an impairment.

In order to fulfill obligations under Section 504, the Excelsior Springs 40 School District has the responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a disability should knowingly be permitted in any of the programs and practices of the school system.

The school district has responsibilities under Section 504, which include the obligation to identify, evaluate, and if the student is determined to be eligible under Section 504, to afford access to appropriate educational services. If the parent or guardian disagrees with the determination made by the professional staff of the school district, he/she has a right to a hearing with an impartial hearing officer.
